### The Shelton State Community College Mace

This symbol of Academic Excellence, Career Technical Achievement and Community Service was completely designed and constructed in 2003 by Sam House, Ron Estes and Jamie Lindsey, students in our Computerized Numerical Control classes. The College will be forever grateful to these students and their instructors, Jason Moore and Ronnie Guy for their insight, skill and dedication to Shelton State. The faculty grand marshal for the commencement processional and the bearer of the mace is the recipient of the Dr. and Mrs. John Todd Award for Exceptional Achievement in Teaching during the spring exercises and the Chancellor's Award Nominees for Academic and Technical Faculty Members of the Year for the fall exercises.

It is the official policy of the Alabama Department of Postsecondary Education, including all postsecondary institutions under the control of the State Board of Education, that no person in Alabama shall, on the grounds of race, color, disability, sex, religion, creed, national origin or age, be excluded from participation in, be denied the benefits of or shall be subjected to discrimination under program, activity, or employment.

Shelton State Community College is accredited by the Commission on Colleges of the Southern Association of Colleges and Schools, 1866 Southern Lane, Decatur, GA, 404-679-4500, to award the Associate in Arts, Associate in Science, and the Associate in Applied Science degrees.
